

Katarina joined Elite Dance Academy when she was three years old and instantly fell in love with dance and performing. Katarina joined Elite's competitive division when she was seven years old, competing in Jazz, Tap, Modern, Acro, Musical Theatre, Contemporary, Hip Hop and Ballet. While competing, she received multiple scholarships from the Wild Rose Dance Arts Association and attended several conventions and workshops to expand her skill set.

After graduating, Katarina joined Elite Dance Academy as a Hip-Hop teacher and assisting in the office. Last year, Katarina was selected to perform with the Roughnecks Drill Crew as part of their junior drill team.

Outside of dance, Katarina is continuing her education at Mount Royal University, in hopes of graduating with a Bachelor of Nursing. Katarina is eager to pass down her passion for dance to her students and is thrilled to remain a part of the loving Elite family.
