

Kaylin began dancing when she was three years old, and has trained in several styles including ballet, contemporary, modern, and jazz. She has completed multiple ISTD ballet and modern exams, including her Advanced 2 Ballet, and is currently working towards her ISTD Associate Certification in ballet. Kaylin's love for performing dance grew as she participated in a youth company for ten years, where she learned from several accomplished choreographers and performed in a variety of pieces. Through the youth company, Kaylin also had many performing opportunities, such as Project Dance New York and Project Dance Calgary. Kaylin's love and passion for dance has led her to pursue dance professionally, some of which has included participating in Corps Bara Dance Theatre Training Company, the Alberta Ballet Professional Division Summer Intensive, Yin Yue FoCo Contemporary Classes, and A Taste of NDT Summer Intensive.

Kaylin also has a passion for teaching dance, sharing her love for this creative and expressive art form with her students, and watching as they embark on their own journey. She has pursued many opportunities with teaching and is eager to continue progressing in her knowledge and experience.
