

Anna Steele began dancing at the age of 3 and has fallen in love with it ever since. Growing up as a competitive dancer, she trained in a wide range of styles including Jazz, Ballet, Lyrical, Contemporary, Hip Hop, Tap, Pointe, and Acro, graduating from Airborne Dance Centre in 2018.

Anna has trained extensively with top choreographers and instructors across Vancouver, Toronto, and Los Angeles, as well as professional cheer coaches from the NFL, NBA, and beyond. Her diverse training continues to shape her dynamic style as both a performer and choreographer.

Currently, Anna performs with the Rhinestone Cowgirls, the Roughnecks Drill Crew, and the Calgary Stampeders Outriders — and has choreographed for all three. She also had the incredible opportunity to perform with the Jonas Brothers at the 2024 Grey Cup Halftime Show and has also appeared in multiple music videos as a dancer.

As a teacher and choreographer at multiple studios across Calgary, Anna brings passion, creativity, and a love for continuous growth to every class. She strives to create a supportive, fun, and positive environment where every student feels seen, encouraged, and empowered to be their best — both as dancers and as people.
