

Katarina joined Elite Dance Academy when she was three years old and instantly fell in love with dancing and performing. Katarina joined Elite's competitive division when she was seven years old, training in a variety of styles such as jazz, tap, ballet, contemporary, acro, modern, and hip hop. During her time as a dancer with Elite, she received several scholarships from the Wild Rose Dance Arts Association and has had the opportunity to perform with the Calgary Roughnecks Drill Crew as part of their junior drill team. After graduating, Katarina joined the Elite staff as a teacher/choreographer expanding through multiple styles and assisting in the office. Outside of dance, she is continuing her education at the University of Calgary, working towards a Bachelor of Arts in Law and Society. Katarina is eager to pass down her passion for dance to her students and is thrilled to remain a part of the loving Elite family.
