

Parker has been dancing since a very young age, training in a wide variety of styles. She joined Elite in 2019, continuing to deepen her love for dance and refine her skills. Over the years, Parker has gravitated towards contemporary and jazz, while also embracing the discipline and determination required to succeed in acro. She has received numerous awards and scholarships throughout her competitive career and has had the opportunity to perform twice with the Roughnecks Drill Crew through their mentorship program.

Most recently, Parker earned her Module One certification with Acrobatic Arts and looks forward to expanding her knowledge of acrobatics. She is passionate about sharing her love of dance and is committed to helping her students grow both as dancers and as individuals.

Outside the studio, Parker is pursuing a degree in Geoscience at the University of Calgary with hopes of building a career in science, while continuing to nurture her lifelong love of dance.
